Dr. Ralph Sanders
National Defense University
Fort Lesley J. McNair
4th & P Street, N.W.
Washington, D.C. 20319

Dear Dr. Sanders:

The Agency's first Seminar on Science and Technology Forecasting was a success largely due to the expert speakers like yourself who made the effort and time to participate. The student evaluations indicated that your presentation on the interrelationships between lead time, export controls and technology transfer was of particular value.

I personally want to thank you for finding time to address the Seminar.

Sincerely,

Director
of
Training and Education
